Thirty original fantasy artworks for you to color at home! This adult coloring book contains fairies, vampires, angels, unicorns and more. All done in traditional line art, greyscale, and midnight styles for a truly unique variety of coloring fun. **Just a quick note to buyers; You may find that some of the pages in my coloring books are darker than other artist's books, I have found through coloring these pages myself that darker pages lend themselves very well to heavier mediums such as markers, gel pens, and even watercolors. Also, there are new techniques for blending colored pencils such as using baby oil and petroleum jelly that can completely washout lighter pages. I have tried to include a variety of shades to accommodate every skill level, from beginners to advanced in every book that I create. I encourage you to

step outside your comfort zone and try something new, I hope that you will be pleasantly surprised by what you can create =)
