LamoureuxLove this calendar! The animal poses are hilarious and everyone who comes to the house flips through the calendar. Gave this calendar as a gift and it was a big hit with her coworkers. It is funny without being inappropriate.

The success of the best-selling Cow Yoga calendar was not lost on the other farm animals. Now the pigs, chickens, sheep and nearly all the critters in the barnyard are getting into the act with myriad poses and postures that you would deem impossible if you were not witnessing them with your own eyes! The large format wall calendar also features six bonus months of July through December 2016; daily grids with ample room for jotting notes and reminders; moon phases; U.S. and international holidays.

About the AuthorOur location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a

unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 400,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for high-quality, light-hearted books and the best Just breed calendars in the country.
