Relaxed Venues : Fashion Design: Pocket Version (Adult Coloring Book) (Volume 15) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fashion Design: Pocket Version (Adult Coloring Book) (Volume 15):

Standard paperback size of 6" X 9", with designs printed on both sides of the page. Over fifty patterns to fill. Fashion Design volume 15 of the long running adult coloring book series from Relaxed Venues. Over fifty silhouettes for your

design portfolio. Release your creativity with the addition of fashion looks. Add undergarments, gowns, casual attire, shoes, perhaps hair and makeup for the runway, prom or the beach. The possibilities are endless, as well as the coloring techniques to be employed, in your stint as fashion designer for any of the House of Fashion or brand name. The short book trailer in this case, <https://youtu.be/73F-o6MB3qg> will give you a good look at the shapes that await your input in terms of clothing, accessories, even hair and make-up, if you elect to engage with the whole silhouette shape. Why stop there? What about the backgrounds? More on this title, in particular at <http://relaxedvenues.blogspot.ca/2016/02/fashion-design.html> with access to all the titles from Relaxed Venues
