Great illustrations from the artist and it encourages creativity regarding fashion design. My Granddaughters are ages 11 to 30. Hope they all develop a style of their very own.

A Galison Fashion Lookbook activity journal is a great gift for budding designers and fashionistas. The journal measures 7 x 8-3/4" with a lay-flat opening that makes it inviting to use. It is fully designed, with watercolor-look artwork throughout. Its 112 pages are just right for creating, coloring, sketching, and journaling. They are even thick enough for real watercolor. The interactive book includes a fashion time line, focus on accessories and fashion details,

and plenty of room for notes on personal style!
