Julia Segal : Feel Better Little Buddy: Animals with Casts before purchasing it in order to gage whether or not it would be worth my time, and all praised Feel Better Little Buddy: Animals with Casts:

0 of 0 people found the following review helpful. Adorable little bookBy Rachel ForbesThis little book is so cute, and would make the perfect gift for someone who has a hurt pet, someone who works in veterinary medicine, or just someone who likes cute animals.I bought 2 copies of this book because my dog Popple is in it (she broke her 2 front legs), I gave one copy to my mother-in-law, as a gift, because she helped us take care of Popple when she was hurt. We both love the book, not just for our pet's picture, but the other pictures and stories are adorable as well.it is a paperback book, and the photos are all clear and glossy. very nice product.1 of 1 people found the following review

helpful. *Feel Better Little Buddy: Animals with Casts* By Deborah L. Meadows
The adorable pictures compiled in this book are sure to inspire hope and also invoke not only smile, but laughter too! I enjoyed reading about the many different animals and how they got into their predicaments. Julia Segal has a way with words that is so entertaining! Friends I've shared this book with have gone out and bought one for their own collection.
2 of 2 people found the following review helpful. Adorable--and not just because my dog is featured!
By Melissa Weintraub
See page 9 for Bear. Wonderful pics and stories. I especially like "I can haz vicodin?" One star off because the Kindle edition lists every creature's "hoetown"; this error should have been caught.

Feel Better, Little Buddy is a great get-well gift for kids with boo-boos, friends on the mend, and anyone who needs a little love and healing inspiration. Julia Segal follows a menagerie of absolutely adorable pets as they recover from their injuries—with stories about the "uh-oh" moments that led to the casts and follow-up visits with the fully recovered patients. Dudley the dog, Waffle the rabbit, Thistle the hedgehog, Mariah the sloth, and George the kitten are just a few of the irresistible creatures whose feats of derring-do (and the necessary recoveries) make up this sweet book.

About the Author Julia Segal is a standup comedian and writer living in New York City.
