I was introduced to the blog/memes in my introductory Women's Studies course and have been hooked ever since. Great collection, a great new addition to my library.0 of 0 people found the following review helpful. For a good timeBy Julie PerinoI've enjoyed the Feminist Ryan Gosling site on Tumblr for the last two years, and I like this collection because it includes the most humorous images from the site and also some jokes that I had missed.

Based on the popular blog of the same name, Feminist Ryan Gosling pairs swoon-worthy photos of the sensitive, steamy actor with feminist theories to the delight of women (and more than a few of their mothers) everywhere.

The Huffington Post "Ryan Gosling images and feminism quotes collide in this funny, clever blog that nods to women's rights using the actor's infamous 'Hey Girl' meme." "Feministing" A huge fan of Ryan Gosling myself, Henderson's playful tumblr makes my heart swoon even more for this past Mickey Mouse Club member whether or not he truly is feminist. But hey, a girl can dream right? "Time" Feminist Ryan Gosling is a brand new Tumblr that imagines the comely actor as a sensitive, empathetic feminist who'll still call you his girl, but also knows his Judith Butler from his Chandra Mohanty. Plus, it's really funny. "Rolling Stone" The Feminist Ryan Gosling meme puts a clever spin on celebrity worship, with fans of the Canadian actor pairing images of his dreamy face with text in which he sweet talks ladies with references to feminist theory. "The Daily Beast" I wouldn't question too closely whether or not the words under Ryan Gosling's pictures are real quotes or not. Let's just say they are. He's so sensitive and understanding. \*Collective Sigh.\*
