Rather buy "Fergus 1" cartoon compilationBy Jacques StraussThe previous compilation of the Fergus cartoons is much better.

Fergus, the cartoon horse with an international following—now a bona fide social media star—is back! Following up the immensely popular 2015 release of the rollicking comic-strip treasury *The Essential Fergus the Horse*, this new book explores the rise and mass acceptance of natural horsemanship training techniques via a comical conversation between Fergus and “The Lad,” a young boy who is determined to ride him. Hilariously expressive illustrations and clever verse depict the dialog between horse and human as The Lad maintains his amiable approach, regardless of Fergus’ doubtful reactions and claim of equine superiority. Both endlessly entertaining and intentionally educational, *Fergus: A Horse to Be Reckoned With* is certain to inspire laughter in adult readers while making a positive impression on young, would-be equestrians.

Entertaining and educational, Fergus: A Horse to Be Reckoned With is sure to make you laugh.#151Blaze Magazine
