S R Cooper : Fifty Shades of Blue before purchasing it in order to gage whether or not it would be worth my time, and all praised Fifty Shades of Blue:

I stumbled upon the best baby shower gift EVERBy Kindle CustomerI

stumbled upon the best baby shower gift EVER! This gift brought the mom-to-be to tears. Especially since the theme of the shower was 50 Shades of Blue :)

Blue is the new Grey. Irreverent, poignant, true. This book celebrates the joy and humor of parenthood. The bestselling trilogy instigated a boom of "Fifty Shades" babies. And it turns out, True Love doesn't look quite like you expected. 50-page, full-color, illustrated Seussian book for parents. Like Adam Mansbach's "Go the F**k to Sleep," it's a reality check for new parents. A must-read if reading the E L James trilogy made you a mom. Great baby shower gift. Great Mother's Day gift.
