**Dom Trix, Ina Trix : Fifty Shades of Cray** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fifty Shades of Cray:

This recipe book includes simple and easy recipes for everyday crayfish cooking, including a recipe for a traditional crayfish boil and instructions on how to cook and peel crayfish. With a mild bondage theme, this book is intended to be a silly, fun experience. The instructions are fun and easy to follow and guaranteed to make your crayfish blush red

with desire.
