**Jeffrey Gurian, Tripp Whetsell : Filthy, Funny, and Totally Offensive** before purchasing it in order to gage whether or not it would be worth my time, and all praised Filthy, Funny, and Totally Offensive:

By AaronThis book almost like a history lesson in how comedians use to perform, with no passion or real life experience that you can relate to just empty jokes. This book is more for you're parents and I'm sure they will even recognize or have even used material in this book back when they were younger, "What do you call 500 politicians and a group full of lesbians? A group of people who don't do d\*\*k". See what I mean? dated material and you probably figured out the

punchline before the joke was even finished. The jokes in the book are pretty much bits from comedians old sets. Joan Rivers does a joke about her sagging breast in this book and that same joke was used on the show 'Louie' starring her. So the material in here sometimes feels like throw away or recycled goods. The author believes the old school way of telling jokes is dead because of how PC America has become. Which could be true but at the same time that style of humor is dated, and cant compete with the short attention span of human beings now a days who are heavily distracted by technology. There is some funny stuff in here but its pretty rare. I think whoever edited this book relied to much on shock value rather than just capturing comics telling a good joke.2 of 2 people found the following review helpful. Funniest Book Ever! CLASSIC!By Brett EidmanThis is a super funny book that will keep you laughing from cover to cover. Filthy, Funny, and Totally Offensive Jokes is a classic and is a must read for anybody that loves really edgy comedy. Jeffrey Gurian and Tripp Whetsell have gone all out and this book is simply hilarious.

If you loved The Aristocrats, have we got a book for you! However, for all you granola-eating, Birkenstock-wearing, tree-hugging, sensitive share-the-love wimps, keep moving if you value the purity of your mind. On the other hand, if you love a delightfully down and dirty joke, if you enjoy shocking the socks off the weenies of the world, then Filthy, Funny, and Totally Offensive will guarantee to have the PC Police knocking down your door. Enjoy hilarious vileness from some of the greatest comic minds in show biz: Drew Carey, Jason Alexander, Richard Belzer, Joan Rivers, Drew Carey, Gilbert Gottfried, Chris Elliot, Curb Your Enthusiasm's Susie Essman and Jeff Garlin, Richard Pryor, Jr., Larry Amoros, Ice T, Pat Cooper, Adam Ferrara, Eddie Brill, Tony "Paulie Walnuts" Sirico, Vincent "Big Pussy" Pastore, and Vince "Johnny Sack" Curatola of The Sopranos, Jackie Mason, Lisa Lampanelli, Greg Giraldo, Colin Quinn, Artie Lange, Jackie "the Jokeman" Martling, Goumba Johnny, Jeffrey Ross, Triumph the Insult Comic Dog (a.k.a. Robert Smigel). And a lot of other sick bastards. A nationally known comedy writer and an authority on roast humor, Jeffrey L. Gurian has written material for many of the great performers at the fabled Friars Roasts. He also wrote and directed the "Men Who" series of short films for the Toyota Comedy Festival, has written for MTV and USA Network, and was one of the writers of Sony's first interactive film. In addition, Jeffrey is the East Coast producer of National Lampoon Radio Networks. This is his first book. He cannot promise it will be his last.
