Debra Anastasia : Fire Down Below (Gynazule) (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fire Down Below (Gynazule) (Volume 1):

Something so raw that cannot be wiped away or even soothed with a snow cone. With explosive writing, author Debra Anastasia has taken us somewhere we didn't know we wanted to be;

a journey to a deep dark place within us all. From page one, this fun physically intense story made me squeaky laugh all the way through. Dove is a sweetheart and Johnson is an adorable hero, although a new contender may give him some stiff competition. Even the neighbors are likable flying their freak flag with reckless abandon. If you are squeamish about any bodily functions, this book is not for you. But if you can squeeze outside your box, this well-written story may just leave skid marks on your heart. Can't wait for the next one. 4 of 4 people found the following review helpful. NicoleBy NicoleI laughed so hard while reading this book!!!! I loved all the crazy nonsense!!! Duke is the best!!!! I took off a star because I HATE books that end at 89% and then they give you a preview of someone else's book!!!! What is up with that??? I can't wait to see what happens and the second book needs to come now!!!! This is a light hearted funny read!!! Dove says all the crazy things a person thinks but never says! I love her awkwardness!!! I could actually picture the nasty, horny sausage vendor in the park humping his cart! The piercing penis episode was soooo funny!!! This is not like Saving Poughkeepsie. They are both different and awesome in their own way!!! 4 of 4 people found the following review helpful. Too Funny!By CustomerI thought this book was a hoot! Of course I raised a son and am used to raunchy humor. :-) I started reading the book in bed with my husband and after some time he very sternly told me I would need to finish the book in the morning. Apparently I was making some sort of noise that was a cross between a hyena, a seal a wheeze and a snort every couple minutes. :-) At one point he thought I was having an asthma attack and I don't have asthma! Needless to say, make sure you read this alone because you may annoy those around you. ps- I am so rooting for Duke and Dove!

Dove Glitch is embarrassed about everything above her knees and below her belly button. When she has to fill a delicate, embarrassing prescription the last thing she needs is a sexy-as-hell (and brand spanking new) pharmacist behind the counter. Johnson Fitzwell's first day of his dream career also happens to coincide with the exact moment Dove needs her feminine meds filled. His glorious voice is way too loud—as in, he should be counting down the hits with Ryan Seacrest kind of loud. Thanks to Johnson's handsome face and gorgeous jaw line, Dove dives headlong into her waking nightmare and asks for a vagina-scented cream. How could she not fall for him? Dove's only active goal now is to get Johnson to kiss her right on the lips. Either set. However, his horrible girlfriend is one of many obstacles preventing her from making that fantasy a reality. When Dove defends Johnson in the most unhygienic, unconventionally gross way in the middle of a crowded restaurant, their tender, slightly tantric relationship is off to a galloping, farting start. Each print copy of this book will be dipped in holy water by my mom, and glared at by my father as he purses his lips. Neither will help. So, drop your pants and turn to the left and cough. I hope you're not allergic to latex, because it's time to fill your prescription. Anally. About the Author There are a lot of eyes in Debra Anastasia's house in Maryland. First, her own creepy peepers are there, staring at her computer screen. She's made two more sets of eyes with her body, and the kids they belong to are amazing. The poor husband is still looking at her after 17 years of marriage. At least he likes to laugh. Then the freaking dogs are looking at her—six eyeballs altogether, though the old dog is blind. And the cat watches her too,

mostly while knocking stuff off the counter and doing that internal kitty laugh when Deb can't catch the items fast enough. In between taking care of everything those eyes involve, Debra creates pretend people in her head and paints them on the giant, beautiful canvas of your imagination. What an amazing job that is. The stories hit her hard while driving the minivan or shaving her legs, especially when there's no paper and pen around. In all of the lies she writes hides her heart, so thank you for letting it play in your mind. Debra has a smattering of books in a few genres. There are two in the Seraphim Series and three in the Poughkeepsie Brotherhood Series with a prequel, Poughkeepsie Begins in the near future. Fire Down Below is the first in the comedic Gynzaule Series. The second, Fire in the Hole, will be published in late 2015. The Revenger, a dark paranormal romance, will debut this summer. And last, a novella called Late Night with Andres is special because 100% of the proceeds go to breast cancer research. (So go get it right now, please!)
