Dewey G Whetsell : Fire Ice: Tales From An Alaskan Volunteer Fire Chief before purchasing it in order to gage whether or not it would be worth my time, and all praised Fire Ice: Tales From An Alaskan Volunteer Fire Chief:

0 of 0 people found the following review helpful. Great book because that's my gorgeous husband in the photo on leftBy CustomerGreat short stories of heroic firefighters in Alaska.0 of 0 people found the following review helpful. Great read!By Vicki WilliamsI live in Alaska and know this man personally. Great read!0 of 0 people found the following review helpful. Incredible Alaskan story of real heros.By B. TaylorI got this book because I thought it was a real man's book that my dad would enjoy. I started reading and couldn't put it down. This fire chief took his readers

along on rescues, fire fights and recovery efforts. I had no idea how quickly something can go wrong on the ice in Alaska. Or who risked their lives in the rescue. It's just incredible and very well written.

Stories of Alaskan adventure. Told by longtime Cordova fire chief Dewey G. Whetsell. "The darkened streets were deserted and all the windows black as I tore through town. As soon as I crested the hill on First Street, I saw the sky north of town glowing red. And I was alone. Even in my agitated state, I knew the sun did not rise in the north, so this was not going to be a walk in the park.." Chief Whetsell whisks you into the action and onto the edge of your seat. From midnight rescues on ice caps to blazes from hell, his pen traces the contours of thirty-four years experience. His colorful style will engage firefighters and laymen alike. Perhaps the best book of its kind to hit the market in years. It offers non-stop adventure stories from America's last frontier and a wealth of tactical information from one of the best in the business.
