ChapinI was unlucky in love until someone bought me the Three Wolf Shirt from . After wearing that shirt, the ladies started piling up. The problem? I did not know what to do once I had them. Even the awesome amazing studly powers of the wolf shirt did not overcome improper technique!!! The answer? THIS KIT! I am now not only desirable, but I can back that up with over 10 positions! Real quotes overheard from ladies after I bought this kit."Wow...my last boyfriend only knew 9 positions!" "Wow...you are amazing!" "Wow...I did not think it possible, but your collection of rare Hero's of intercourse trading cards make you even more desirable than your Spider-Man Issue #1 did"Guys, I can not stress enough how important this kit is to your love life. Sure the Wolf Shirt can bring the ladies in, but this kit keeps them coming back for more!3 of 7 people found the following review helpful. This kit changed my lifeBy DoogieI always thought I was unlovable. Which, I was. DESPITE THAT, this kit got me laid. And I'm now in a steady relationship with someone who loves me for who I am, even though I'm hideous and boring.The book is really funny, and made me laugh for the first time since my cat died. I especially like the short gay erotic story about Winnie the Pooh, and the section about making love in a Porta-Potty. The Heroes of Intercourse cards are awesome, especially the Shatner card (collector's item).Dr. Eric Ryland Horner, thank you.
