**Martin Henry Fischer : Fischerisms: Being a sheaf of sundry and divers utterances culled from the lectures of Martin H. Fischer, professor of physiology in the University of Cincinnati** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fischerisms: Being a sheaf of sundry and divers utterances culled from the lectures of Martin H. Fischer, professor of physiology in the University of Cincinnati:

Fischerisms: Being a sheaf of sundry and divers utterances culled from the lectures of Martin H. Fischer, professor of physiology in the University of Cincinnati
