Whisperer...By NicobarI'm sorry, the title of this book should be Snook Stories, not Whisperer...I'm an offshore angler
(Marlin, Sailfish, Mahi, Tuna, Wahoo), but since moving to SE Florida I've taken up stalking Snook and thought I'd
learn a thing or two about technique, bait, and of course tides...If you're looking for a book with some nice little

"fishing events stories" you'll enjoy it, the stories are reasonably well written. HOWEVER, if you're looking for real Snook techniques, there are very very few.... Even the chapter on Tides, called "Turning of the Tides:Lesson of the Tides" had zip! I was most interested in this chapter, because no one can predict what bait they will take on ANY given day or night, BUT, I'm solidly convinced tide dictates this fish's eating habits more than any fish I've chased...My \$0.020 of 0 people found the following review helpful. 10 outta 10By VictoriaBest book I've ever read!! Most amazing writing and I met the author who is amazing!

What are the secrets most fishermen miss right under their noses, which if they only knew, would instantly improve their chances of becoming the "lucky" 20% who catch all the fish, the fortunate few who know how to turn their dreams into reality? FISH ON! (SECRETS OF THE SNOOK WHISPERER) is more than a fishing guide-book, it is a guide to living, to catching big fish and landing bigger dreams. Fish On, tells the story of how author and columnist, Sloane Golden, was taken under the wing of a master fisherman from Key West--"The Snook Whisperer," and of the life-changing lessons learned... "Sloane Golden...in his book, Fish On, shows the fisherman how to dream big and catch big fish. But the book is about more than fishing, however; it's about the test of character, something every winner must have." -Foreward, Coach John Tortorella, Stanley Cup winner and Head Coach, Tampa Bay Lightning.

About the AuthorSloane Golden's work has appeared in newspapers, magazines and journals. As a professional writer/lecturer, and part-time fishing guide, Mr. Golden motivates and inspires people to pursue their biggest dreams. Golden publishes a monthly fishing column under the by-line: The Existential Angler. He has optioned three screenplays in New York and Hollywood, including "CRY OF LOVE," a feature film-bio, about Jimi Hendix. This is Mr. Golden's first book in a future fishing book series-Fish on!
