This is a great gift for all the "Dudes" in your life. I live in So Cal and its like I grew up with these two characters! I've been laughing so hard my stomach hurts. I think I need a fish taco to feel better.Thanks for the laughs. I highly recommend this book for clean, good humor.Dean

From the mind and pen of Award Winning cartoonist, Keith Poletiek, comes the first compilation of his popular, online distributed comic strip, "Dude and Dude." Join in the antics of the early days of these two beach dwellers who live only to scratch up enough fundage to put modest roof over their heads, gas in their van, wax on their surfboards and as many fish tacos as they can handle in their bellies - which is extensive. Dude and Dude are the poster dudes for kicking back, so much so, that they are too lazy to even afford names. They go by only, "Dude," but as they say, "A

dude by any other name is just a dude." Dude and Dude, the comic strip, is distributed world-wide through GoComics.com, the internet presence of Universal Uclick a division of Universal Press Syndicate. It is also seen daily on the comics page of Yahoo.com and at their website dudeanddudecomics.com where you can learn more about their daily antics, check the comic strip archives to see where they've been and meet the cartoonist, who brings the community of Beachtowne, U.S.A., where the dudes hang, to the world five days a week. If you're a dude (or dudette) or were a dude or aspire to reach "Dude" status, then you will love Dude and Dude, Simmer Down Coffee Shack, where they work, Officer Don, an overbearing psycho cop, Mr. Parker, their cantankerous landlord (who one believes is actually Spider-Man retired), The babes, the fun and laughs and the never-ending search for the perfect Fish Taco!
