J. D. Benson : Five Times Fast: tongue-twisters for baby-boomers before purchasing it in order to gage whether or not it would be worth my time, and all praised Five Times Fast: tongue-twisters for baby-boomers:

And, it didn't disappoint! The tongue-twisters with the baby-boomer associations were not only clever and funny, but the author delivers a double whammy of entertainment with original illustrations that are borderline ingenious in many cases. This one will have

you driving yourself and others whacky with laughs and challenges, one big baby boomer boisterous blast after another!!!

"Bill Cosby brings Bing Crosby's rings." "Harry combs Perry Como's hair." Why should kids have all the fun? Five Times Fast is a collection of nearly 400 original tongue-twisters specially designed for baby boomers, with lots of early pop-culture references and quirky illustrations. "May we weigh me?" "Surely Shirley Caesar sees her." "She threw see-through seafood..." How many can YOU say Five Times Fast?
