Hi-diddly-ho, true believers! Ned Flanders offers up a helping handful of homespun and homeschooled hints for G-rated general audiences. Follow the Nedster as he leads you through the thorny debate over church vs. state, puts the focus on the Flander's family tree, and lists his forbidden words (a.k.a. Neddy No-Nos). This gospel of goodness also includes a souvenir map to Praiseland, Ned's Comic Book of Virtues, and a sampling of the left-handed luxuries available only at The Leftorium. Whether you live north, south, east, or even west of the Bible belt, good ol' Nedilly

Doodily will put you on the road to righteousness!
