By Natalie Marsh I follow this Chickenpants artist on Instagram and was so excited to see that she had come out with a coloring book! Her drawings are clever and charming always make me smile. It's been fun for me and my 4 year old daughter to color these cuties! 1 of 1 people found the following review helpful. I loved these drawings By Thea DuBois I loved these drawings. They are fun and whimsical. They stimulate your own creativity in coloring them in. Great for the child in all of us. And, they make great gifts!

just waiting for you to add your own creative touch. The designs in the book range from easy to advanced. The simple designs are great for adding your own creative touches. It's a coloring book that all ages can enjoy. The pages are printed on only one side, so no worrying about ink bleeding through. There's a super duper top secret website address for book owners inside that takes you to a free bonus coloring sheet. And some other stuff. **THE REVIEWS ARE IN!** "Of all the adult coloring books I've seen, this is one of them." - Bonnie Morgan, Founder of the Bonnie and Claire Show, Co-chair of the Cantus Firmus Project, and Basically Totally Important Person "This is the best book ever!" - The author's mother Flat Faced Friends makes a great gift! You should probably buy like, five of them. Just to be safe.
