Queenie Wong : Flower Arrangements - A hand-drawn coloring book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Flower Arrangements - A hand-drawn coloring book:

3 of 3 people found the following review helpful. This book was great to color the flower arrangements came out very prettyi ...By Ann M MoranThis book was great to color the flower arrangements came out very prettyi put some in a frame to hang on my wall or on a table I find coloring any of these books are so relaxing which I am a senior.I never get tired of coloring them2 of 2 people found the following review helpful. Really nice!By Pen NameI got this from my grandma who loves to color as bedridden and really all she has to do and she absolutely loves them. She's not a woman who goes on and on about much she went on and on about how nice these pictures were2 of 2 people found the following review helpful. So enjoyable.By Vivian ChristensenAnother winner from Queenie Wong. I truly enjoy the work she produces. I buy her books without any hesitation at all

This book contains 25 hand-drawings of realistic flowers. They are beautifully arranged in vases, baskets, paper wraps, etc. Let's show the true colors of flowers in your heart.

About the AuthorThe artist, graduated with a Bachelor degree of Fine Art, had been an art teacher in several private learning centers for years. Now she works as an individual illustrator for books which spark her most interest in bring her own artworks to others.
