Nadine Yvonne Binion : flower Confessions before purchasing it in order to gage whether or not it would be worth my time, and all praised flower Confessions:

1 of 1 people found the following review helpful. Five StarsBy CustomerI loved this coloring book, it's a great gift for anyone. You won't be disappointed with this purchase1 of 1 people found the following review helpful. Love it!!By CustomerI am a lover of these kinds of coloring books.. And this one does not disappoint! It was obvious that very detailed work went into the creating of it.. I love all of the flower pages and that it can be used by either beginners or those of us that like to be very detailed when coloring.. I love also that the creator can be found on Instagram! I recommend this to anyone in love with coloring!!1 of 1 people found the following review helpful. Highly recommendedBy CustomerThis was one of the best coloring books i have purchased! I love the detail work, and the fact that you actual know the name of the person who invented it, i also follow her instagram page and have purchased some art work from her. Her eye for detail is fantastic. I think its Awesome!!! I would highly recommend!

Flower Confessions is a unique expression of art inspired by creator Nadine Binion. Much like a ripple effect, these drawings give a foundation of inspiration, in the hopes of people letting out their artistic talent to overflow upon her pages and touch the artistic bone of any and all who participate in this activity. Whether people use this book for fun, stress therapy, or creativity it's sure to bring joy to all men, woman, and children.

About the Author Nadine Binion is an art enthusiast who loves to doodle and draw. She shares her work with her Instagram followers @lovecolorful_art_ mostly displaying creations in zentangle art. This is the first coloring book created.
