Sending it back. Bad quality.5 of 5 people found the following review helpful. I love coloring fairies and this book satisfies the cravingBy Brenda I love coloring fairies and this book satisfies the craving,. There are so many great pictures in it to color. I'm so glad I was able to try this book free of charge.2 of 2 people found the following review helpful. Another fantastic fairie book by Deanna L. Harrison.By R. J. Wright Deanna gave me preview pages to color which made me want the whole book! Everything is so adorable to beautiful in this book. If you like fairies at all you will love this book! I didn't think it could be done twice, her first fairie book was great too, but she has done it again!

KD Arts Design Brings you Fluttering Fairies. Step into the magical and mythical world of fairies and fantasy! This is such a magical book! This grayscale coloring book is great for the beginning colorist to the more advanced colorist.
