**Jonah Campbell : Food and Trembling: An Entertainment** before purchasing it in order to gage whether or not it would be worth my time, and all praised Food and Trembling: An Entertainment:

2 of 2 people found the following review helpful. Love this book.By Joey ComeauThis book is the Fear and Loathing in Las Vegas of food writing. Half the time it stumbles completely free of its fascination with food and into drunken adventure or the weird quiet depths of memory. Jonah writes like a sketch bag jerk with a fancy talking university

degree that completely failed to make him any classier. This book is thoughtful and vulgar and hard to describe, but it is never boring. I love it.

What mysteries lie beneath the subtle perfection of the BLT? What is the etymology of the "croissant"? Why did I drink all that scotch? This collection of writing by Jonah Campbell--metalhead, misanthrope, unrepentant goodeater--explores the world's finest culinary pleasures. Food Trembling approaches eating with nothing more than a fierce appetite for the pleasures of the table.

This book is the Fear and Loathing of food writing; thoughtful, vulgar, and hard to describe, but it is never boring. a Joey Comeau, author of Overqualified. "This book is the Fear and Loathing of food writing; thoughtful, vulgar, and hard to describe, but it is never Boring." - Joey Comeau, author of Overqualified. About the Author: Jonah Campbell writes the blog Still Crapulent After All These Years, and has contributed to 50 Cyborgs, GOOD Magazine's "Food For Thinkers", and Girl Culture: An Encyclopedia (Greenwood). He lives and eats in Montreal.
