Cris Freddi : Footballers' Haircuts: The Illustrated History before purchasing it in order to gauge whether or not it would be worth my time, and all praised Footballers' Haircuts: The Illustrated History:

Here are all the follicular catastrophes that have graced the heads of prevailing football generations in their full glory. With over 80 photographs, the pictures are complimented with fascinating player anecdotes and incredible football tales. From pre-war pudding bowls to the pampered perms of the Premiership, they're all here: the awesome

Afros, dodgy dye jobs, blush-worthy bleaches, and the absurd extensions; the highlights, the lowlights, and not forgetting, of course, the ultimate footballers' haircut, the magnificent mullet.
