Such a lovely reservoirBy blancaAfter some tests at school, I used to trot off to the bookstore near my house in return to my efforts and persistence toward that. I was unable to buy all books I crave for. I had to struggle against my lust to read all books. It was tough agony for a little child to bear. I remember those bittersweet moments when I got close to the resister. The middle-aged man was friendly but didn't seem to guess those issues inside of me. Because of that, I was always happy to step in the bookstore but had to step out in thirsty for left books in there. I longed to live for good in bookstores, I long to be buried in bookstores like Michael Cunningham. (Don't take me wrong. He is alive now.) I cannot peruse all books so I had to compromise with myself. This book seems to me as the precious reservoir for me in this sense. The author Bob's gathered a variety of tales related to bookstores across the world and provided those with his exquisite illustrations. Particularly I was enchanted by the eloquent, rarely frank confession from bookstore owners. They reveal the attractive anecdotes with celebrities and crippling publishing industry. But as always those people in reading are not mortified. I was able to feel some undefeated hope about books. I'd like to engrave Garrison Keillor's words. "But everything is ripe for revival." I'm with him. Because I cannot trample on my dream in my childhood easily. I cannot imagine the world without books.0 of 0 people found the following review helpful. Beautiful, beautiful gift bookBy CustomerBeautiful, beautiful gift book. However, it arrived with the inner section not totally glued to the book base. As the book is designed as a

special art section affixed to the covers, it's obvious. I re-glued myself and is fine but a disappointment to receive in this condition and honestly didn't think it was worth returning when I could break out the glue myself. Someone's not paying attention in quality control; otherwise, a beautiful book that in itself deserves 5 stars.0 of 0 people found the following review helpful. pleasant surpriseBy CustomerThis was a shock in a good way. I would recommend this as a unique gift to any reader. PICS AND ARTWORK is very nice, and the book is quality. I cant say enough good things.

A New York Times BestsellerFrom the beloved New Yorker cartoonist comes a collection of paintings and stories from some of the world's most cherished bookstores. This collection of 75 evocative paintings and colorful anecdotes invites you into the heart and soul of every community: the local bookshop, each with its own quirks, charms, and legendary stories. The book features an incredible roster of great bookstores from across the globe and stories from writers, thinkers and artists of our time, including David Bowie, Tom Wolfe, Jonathan Lethem, Roz Chast, Deepak Chopra, Bob Odenkirk, Philip Glass, Jonathan Ames, Terry Gross, Mark Maron, Neil Gaiman, Ann Patchett, Chris Ware, Molly Crabapple, Amitav Ghosh, Alice Munro, Dave Eggers, Garrison Keillor and many more. Page by page, Eckstein perfectly captures our lifelong love affair with books, bookstores, and book-sellers that is at once heartfelt, bittersweet, and cheerfully confessional.
