So TenderBy cjI love the idea of a Bunny having radishy breath as it cuts loose with its grumbling over the taste of a root it was not happy with. I also like knowing about the sign of luck a bunny can give, if you see it spying you from above, when you are out on your travels..I have had my own Bunny sorts of signs that I now hold more dear because of this Sweet poetry...Thank you for sharing this lovely collection... You have 5 stars from me! :o)2 of 2 people found the following review helpful. gorgeous compilation of poems!By sarahThis is a simply perfect book for children and adults.
