He is into cartoon drawing but was having difficulty drawing his boxes a consistent size. These are just right for single or multiple framed stories. Best of all, once done, they are all contained in a book to keep rather than having papers strewn everywhere. He's happy so I'm happy for him. 1 of 1 people found the following review helpful. Unbeatable price for the quality and size. By Customer Perfect for my 8 and 5 year olds' active imagination. The pages are thick and sturdy. I highly recommend. 0 of 0 people found the following review helpful. Five Stars By JanePH Hopefully, just what my grandson wanted.
