Brian Gordon : Fowl Language: Welcome to Parenting before purchasing it in order to gage whether or not it would be worth my time, and all praised Fowl Language: Welcome to Parenting:

13 of 13 people found the following review helpful. I love this book!!! :DBy AbyI have been an avid follower of Fowl Language Comics long before I even became a parent. But, now I am living the life that the book depicts, though we still are in the infant stage. I agree that the comic strips are repetitive, but it is hilarious nonetheless. I can read the strip over and over again. I guess it makes sense for me to keep this book handy for the times when the internet is down and I need a laugh. This book is outright hilarious!! Brian, my man, you rock!! From one parent to another - Quack quack! May you draw more, may your kids inspire you more. Thank you for coming out with this book. Thank you for restocking and sending the book asap. You saved yourself some trouble because had you sent the book late, I would have sent you my baby. :P13 of 13 people found the following review helpful. The realities of parenting are so much more glamorous than ...By Avid ReaderThe realities of parenting are so much more glamorous than my original expectations. An entirely too accurate snapshot of those precious moments deciphered into quintessential life mottos. "Poop poop, poopity poop!"6 of 6 people found the following review helpful. Welcome to parentingBy JulienIt was

the "long weekend" cartoon first caught my eye. Brian's fowl language cartoon website becomes my daily visit since then. I'm so excited when he announced the book on Twitter. Finally get a chance to enjoy the funniest parenting cartoons in nonstop mode. As a new parent of a toddler, I find countless "oh you too" moments. Some even made me tears. Not to mention those which makes me smile. I encourage all my friends with kids or expecting kids to read this cute little cartoon. May the laughter and tears with you :D

“This Guy’s Comics Hilariously Sum Up the Truth About Being a Parent.” —BuzzfeedParenting can be a magical journey full of bliss and wonder . . . if you're on the right meds. For the rest of us, it's another thing altogether. Fowl Language Comics takes an unvarnished look at the tedium and aggravation of parenting, while never forgetting that the reason we put up with those little jerks is that we love them so damn much. By poking fun at the daily struggles parents face, these cartoons help all of us feel less alone in our continual struggle to stay sane. Brian Gordon, creator of Fowl Language Comics, has two small children of his own and knows well the trials and tribulations that go along with raising them. With more than eighteen years of experience in humorous illustration, writing, and cartooning, Brian's visual point of view is memorable, authentic, and instantly recognizable. From Brian: "They say 'write what you know.' Well, I don't know much, but I do know what it's like to be the father of two brilliant, beautiful, bat-shit-crazy kids." Launched in July 2013, the relatable humor of Fowl Language broke out on HuffPost Parents, Pop Sugar Moms, Bored Panda, Awkward Family Photos, and countless other humor and parenting blogs. Thanks to more than 200,000 fans on social media, including Facebook, Tumblr, and Instagram, it continues to grow in popularity at a rapid pace.

"One great way to welcome newbie parents to the parenting club is to show them, through hilarious comics, just what they can expect ... Brian Gordon has the perfect book of comics for the occasion, Fowl Language: Welcome To Parenting.” (Hollis Miller, Huffington Post)“Fowl Language’: Dad's cartoons show what it's REALLY like to be a parent” - Today.com (Today.com)“Gordon dives deep into all the parts of parenting that are painful and aggravating and WHYDON’TYOUMAKEANYSENSE!/? But somehow because everyone looks like a cute duck, he makes you laugh instead of cry.” - Jonathan H. Liu, GeekDad (Jonathan H. Liu, GeekDad)"If there’s one dad in particular who perfectly captures these terrible yet humorous moments in parenting, it’s Brian Gordon." - Babble.com (Babble.com)“... a funny, sweet and often expletive-filled look at parenting. The comics perfectly capture what parenting is like today—the good, the bad, and everything in between, all through a hilarious lens.” (Huffpost Parents)“He covers many topics, but it’s his hilarious parenting comics that are resonating with moms and dads everywhere.” (Upworthy)“[Brian Gordon] is shamelessly creating funny-because-it’s-true parenting comics—and we can’t stop laughing at them.” (Popsugar)About the Author"A million years ago, Brian Gordon spent his time staying out late, hitting the clubs and eating at fancy restaurants. And then suddenly ... CHILDREN. While he loved being a dad more than anything else, he also noticed that at times, parenting can be a total crap-fest. In the summer of 2013, Brian began drawing Fowl Language as a fun (and often profane) way to vent his frustrations. After getting laid off from his job as a greeting card artist, he decided to pursue the comic full-time. His work quickly became an Internet viral sensation, and is shared regularly by millions of people all over the world."
