Rick Kirkman, Jerry Scott : Framed!: a Baby Blues Treasury before purchasing it in order to gage whether or not it would be worth my time, and all praised Framed!: a Baby Blues Treasury:

I only buy the treasuries and collections because so many strips from the scrapbooks are in the treasuries. But they are something i can read over and over again and still laugh.0 of 0 people found the following review helpful. Great Gift for ParentsBy Lover of MusicBecause I follow Baby Blues in our local newspaper, I thought my daughter-in-law who is recovering from surgery would enjoy following this family too. The children in the cartoons match my grandchildren in age, sex, and birth order, and even though I am 71 years old and a long-ago mother of four, I still remember the situations and can relate. The book was a hit with her and the kids.3 of 3 people found the following review helpful. LOLBy P. MosherLaughing Out Loud is not something I am known for, but I got Lots Of Laughs form this book and am having to resist buying more of the series - and will probably end up caving to the temptation to L O L more.Framed!: a Baby Blues TreasurySomething Chocolate This Way Comes: A Baby Blues Collection (Baby Blues Scrapbook #21)

Kirkman and Scott don't just have their fingers on the pulse of the modern middle-class family; they have a grip on its wrist like a mother pulling a three-year-old past a grocery store cookie aisle. Tadpoles in the toilet, backseat border wars, emergency homemade diapers . . . welcome to another year in the life of the never-a-dull-moment McPherson family. While sister Zoe and brother Hammie's budding sibling rivalry reaches new heights (and volumes), baby Wren is making great strides of her own. With the advent of "the climbing phase" no coffee table, countertop, or bookshelf is too high. For years, the team of Rick Kirkman and Jerry Scott have given readers a too-funny-to-be-true, too-real-not-to-be insider's view of the American dream. They get the details and dilemmas so right, in fact, that it's a wonder they haven't been indicted for domestic surveillance.
