Alex Graham : Fred Basset for Golf Lovers (Humour) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fred Basset for Golf Lovers (Humour):

0 of 0 people found the following review helpful. Golf gags whimsical remarksBy Laura A. FitzgeraldI love this book in response to a golf gag cartoon book my godmother/aunt kept in her condo, and it's wonderfully illustrated alongside the garden book in my possession! I hope the next book can be entertaining - thank you so much!!

There's never a dull moment on the fairway, especially when you've got Fred Basset in tow! Whether he's hunting down lost golf balls, chasing a rabbit at the 14th hole, or giving moral support in all weathers, Fred's antics and astute observations on his human friends make him the perfect golfing companion. British icon Fred Basset has been making readers of the Daily Mail and the Mail on Sunday giggle since 1963.
