**Stanley Burke : Frog Fables Beaver Tales** before purchasing it in order to gage whether or not it would be worth my time, and all praised Frog Fables Beaver Tales:

0 of 0 people found the following review helpful. Five StarsBy Phish R. CutbateNumber one in a series and funny as hell! Text is clever and illustrations are timeless.0 of 0 people found the following review helpful. Two StarsBy E Barrett-ZahnNot exactly what I was looking for. Not the book's fault, just didn't fit my need.

Earnest and industrious Beavers, fun-loving but discontented Frogs, a Lobster named Lugubrious J. Standfast and a wonderful Frog leader are some of the characters in this mythical tale about a Swamp named Canada. This delightfully illustrated and satirically sharp review of Canadian history in the late 1960s and early 1970s features some familiar faces--Lester B. Pearson, Richard Nixon, Rene Levesque, the immaculate chief-frog (chief beaver?) Pierre Trudeau--evolved slightly to survive in Swamp conditions. Frog Fables Beaver Tales is a clever, hilarious souvenir of a particularly vibrant period in Canadian politics.

About the AuthorSTANLEY BURKE is a former CBC newsman. Internationally syndicated, ROY PETERSON's

cartoons illustrations and magazine covers have appeared in all major Canadian and most American magazines and newspapers including Time magazine and the New York Times.'
