From Fear to Limitless Love is a powerful book about how to bring God's love, peace, joy and tranquility into your life. It is filled with stories and quotes from spiritual people from all ages and religions, including Jesus, Mohammed, Buddha, various Hindu sages and Christian saints. I have read this book and highlighted many especially powerful passages and refer to them regularly. If you are looking for a book filled with wisdom, inspiration and hope to achieve inner peace, this one is excellent.

'From Fear to Limitless Love' shows that spiritual Masterss from various traditions live at the heart of reality as peace, love and joy. Reading this book can be an adventure that purifies our hearts and impels us to be real and happy within as well as without. The first chapter states that our essential nature is pure awareness and limitless love that is covered up by thoughts and emotions, especially when they are negative, as explained by modern sages like Eckhart Tolle and Byron Katie. The next chapter clarifies salient concepts in religion such as God, monotheism, polytheism, incarnation, reincarnation, karma, heaven, hell, salvation and liberation. It is followed by sketches of sages both ancient and moern. The fundamental unity of the sages like Christ, Krishna and Budda is brought out. The life of Prophet Muhhamad given here shows that he was truly a great holy man. Common doubts and questions about religion are adequately answered in a chapter. The book provides practical guidelines for sincere seekers of Truth.

"Today, the most important thing any of us can do is to learn to love more completely. This book vibrates with love and joy due to the great sages profiled here. They remind us that we truly all are limitless love." Jack Canfield, New York Times No.1 Best-Selling author "When my mind is befuddled by anxiety, anger or sorrow, reading a few pages of this book makes me calm and peaceful. The stories of the saints reinforce the joy and bliss within us, and stress unconditional love which is the pathway for Divinity to shine through us." Dr. N.
