MThe book was required for a graduate school class on the History of Medicine but I find it makes an interesting read. There is some repetition but the prose is readable and enjoyable.0 of 0 people found the following review helpful. Students beware!By Hisham NaseerI wish the eBooks had better ways of marking the page numbers!

"Duffy is an outstanding historian of American medicine... This survey, taking account of more recent events and of new writing in the field, is a major historiographical event." -- James Harvey Young, author of *The Medical Messiahs: A Social History of Health Quackery in Twentieth-Century America*
