Put Your Hands Up, Start LaughingBy Jill BemisTaking a break from his humorous court jester series, MacDonald focuses on the funny situations Canadian police officers get into. Sections cover stupid crooks, wheel, prank, rookies, Mounties, critters and more. Some entries from the previous series show up as officer interact with members of the judicial system.

Cops from thirteen countries--including Canada, the United States, England, Wales, Australia, France, and India--share their wackiest experiences in the line of duty.
