Konami Kanata : FukuFuku: Kitten Tales, 2 (Chi's Sweet Home) before purchasing it in order to gage whether or not it would be worth my time, and all praised FukuFuku: Kitten Tales, 2 (Chi's Sweet Home):

The only reason she puts it down is to read the author's other series Chi (also starring a cat). I'm not sure I see the brilliance -- it is light on plot and character, and really does just consist of "cat does something cute that lots of cats normally do. end of story." over and over and over. But I rate it well because it seems to hit home with its audience well -- cat loving kids. That said, I recommend Chi instead. That story is also mostly about a cat doing cute things, but it actually has some plot and character and progression. 1 of 1 people found the following review helpful. Lol By TA great volume of the little kitten adventures and a lot of laughs. Honestly I

can't imagine who wouldn't love this series.0 of 0 people found the following review helpful. More kitten tales!By stitchingkittenVolume 2 is just as adorable as volume 1! FukuFuku does all the things I remember my cats doing when they were kittens. Hope that Ms. Kanata has more volumes planned!

FukuFuku's exploration of the endless wonders to be discovered in her owner's house and garden continue in this volume, as the old lady and her kitten forge that special bond between owner and pet. As the seasons turn, FukuFuku learns, changes and grows into a fine feline companion.

About the AuthorKonami Kanata was born on July 3, 1958, in Nagano, Japan. A veteran manga artist Konami made her professional debut in 1982 with the serialized comic Petit Cat Jam-Jam for Kodansha's seminal shoujo manga magazine NakaYoshi. The daughter of an elementary school teacher, most of Konami's stories are for readers of all ages making her one of the most accessible artists in recent history. In her nearly thirty year career, Konami has penned more than a dozen comic series, with the majority of them focusing on cats and pets. Konami is well regarded within the pet-manga community for her keen sense of cat ecology. Her ability to observe and render feline behavior has earned her respect from the Japanese manga community as a whole. While most of her properties were published for a younger female demographic, her most recent series Chi's Sweet Home is currently being published by Kodansha's Morning magazine, Japan's leading comic magazine for adult readers.
