Holly Snow Sillau : Fully Groan Puns: 180 Poetic Groan-Ups before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fully Groan Puns: 180 Poetic Groan-Ups:

Fully Groan Puns is a collection of original eight-line poems each of which ends with a pun. As the title suggests, you are sure to groan and laugh while you read through this funny volume. It's the author's eighth book. Her first four concern her experiences being a bereaved parent. Her next three and this one remind us that it's all right to laugh even

as we grieve.
