1 of 2 people found the following review helpful. Five StarsBy Jennifer RotruckAdorable coloring book! Great illustrations and you get two copies of each one.

A 50-page mini coloring book featuring 2 each of 25 different designs. Share with your friends or color your favorites twice. The compact size makes it easy to finish fast and it's great to throw in your bag and take it with you. It's also perfectly sized to cut out and mount on an A2 sized card. The creative possibilities are endless.
