This book is filled with one of a kind coloring pages designed for all. These fun and funky images can be enjoyed and finished, in one sitting, any time of day. Perhaps while watching a cherished TV show, while sitting on the commuter train on your way to work, or lounging at your local coffee house while sipping on your favorite beverage. All skill levels can enjoy the ease of coloring in one of my funky faces. An array of mediums can be used to create your masterpiece (pens, colored pencils, markers, crayons or a combination) Each coloring page is on a separate sheet.
