What would your life be like if God lived next door? What would you talk about? What questions would you ask? In *Funny Conversations with God*, author Dunn Neugebauer shares his fictionalized discussions with God. In a noncontroversial, casual, humorous style, *Funny Conversations with God* shares Neugebauer's feelings, philosophies, and life experiences as if he were talking directly to God. They discuss and analyze the key points in Neugebauer's life, such as his passing relationships with women, his failed marriage, his nonexistent church-going habits, and his job at the local high school against the backdrop of pop culture such as sports, authors, popular singers, and current events and important issues. During their candid give-and-take, Neugebauer gains insights not only into the experiences of his past, but obtains a direction for his future. He also grasps a deeper understanding of the all-powerful God who loves us and wants to be with us.
