About the Author Riley has enjoyed ART and WRITING for about three decades now. During grade school, he would often draw CARICATURES of his teachers, which sometimes got him in trouble. He studied PAINTING, DRAWING, and GRAPHIC ART in the university, as well as business, music, and entrepreneurship. His LOVE OF LEARNING of such various topics is why it took him nearly 10 years after high school to finally earn himself a bachelor's degree in Marketing. However, he met his wife towards the end of his schooling, so it was well worth the time and effort (wink). Riley Weber was BORN in Logan, Utah in 1979, and has lived in various countries besides the U.S., such as Mexico and England. He served a two year Mormon mission to Puebla, Mexico, where he learned fluent SPANISH, met some WONDERFUL PEOPLE, and ate the BEST FOOD on the face of this planet! After he got married, Riley and his new bride spent a half a year living in East Yorkshire, England, while finishing their university degrees. He now resides with his FAMILY in hot but lovely, Mesa, Arizona. Currently, Riley has written, illustrated, and self-published OVER 20 CHILDRENS BOOKS. He has RECORDED and RELEASED over 10 full children's rock/pop music albums by "NOOSHI,"; an artist he created. One of his books, Tongue Twisters for Kids, has been DOWNLOADED OVER A MILLION TIMES since it was released in 2012, and it has reached the top 5 most downloaded Kindle books, for two years in a row. He has written and illustrated various other themed tongue twisters and jokes books, and appreciates GOOD HUMOR and putting a SMILE ON PEOPLES FACES.
