Fur Ball FeverBy DJ HughesThis laugh-out-loud, sizzling hot story had me hooked right from the start and didn't let go until the end. The chemistry between Grace and Nick was amusing, hot, exasperating and thoroughly enjoyable. The dogs added so much fun and personality to the story that I can easily see dog lovers going for this book in a big way. The "investigation" kept me guessing and the situations Grace managed to land herself in kept the story interesting and engaging. My favorite character was dear, crazy Aunt Beth. What a hilarious addition to an already fun read! Maureen Fisher is a very talented writer and I'm glad to have found my way to her books!14 of 14 people found the following review helpful. Witty and sexyBy suereadsalotGrace and Nick's story is written with a light, breezy tone, perfect for it's genre. Full of snappy one-liners and just the right mix of introspection. The book is chocked full of quirky characters, adding charm to this romantic/crime romp. Lots of

sizzling sex scenes too! Highly recommended.
