**Michael Rex : Furious George Goes Bananas: A Primate Parody** before purchasing it in order to gage whether or not it would be worth my time, and all praised Furious George Goes Bananas: A Primate Parody:

0 of 0 people found the following review helpful. On the fence...By kristyrae21I bought this for my 6 year old son because he is a huge Curious George fan. I thought this would be a good spoof on it for us to read. Although the book has fun artwork, and the story has a good message, this book could of been so much funnier. Basically George gets captured and is forced to work different jobs. Each job only lasts a page or two and ends with it saying "George was furious!". It's not a bad book, the potential was just so much greater. We didn't laugh very much...the pictures said way more than the text.0 of 0 people found the following review helpful. One of Our FavoritesBy Desert MomWe are fans of the original Curious George, so I wasn't sure how my little ones would like this one, but they love it. Furious George has become a bed time staple and a favorite at preschool too (my youngest takes the book for show tell/story time often).0 of 0 people found the following review helpful. Great bookBy AngelduztGreat book, gave it to my dad as a gift as a laugh because he loves curious george. Very funny.

George is an ape-not a monkey-and he is perfectly happy living his simple life in the jungle, until one day the man in the funny hat kidnaps him and brings him to the big city. Poor George! Forced to live in a cage at the zoo, then work hard manual labor and be mocked on stage-George has every reason to be upset. In fact, after all the maltreatment, he's downright furious! So it's a good thing George is one clever ape. Perhaps getting mad is not the only answer. Readers

will laugh out loud when George comes up with a way to outsmart the man in the funny hat.
