Rhodri Marsden : FWD This Link (Rough Guide Reference) before purchasing it in order to gauge whether or not it would be worth my time, and all praised FWD This Link (Rough Guide Reference):

From skate-boarding dogs to Arnold Schwarzenegger photoshopped into a swimsuit and sat on George Bush's lap FWD This Link brings together the biggest distractions of the past decade into an addictive user-friendly Rough Guide. Rhodri Marsden, Technology columnist for the Independent and guru on the web's weirdest, shares the coolest

virals and hoaxes and the funniest YouTube clips. Discover the unsuspecting internet stars, and the reason why we loved them from the Star Wars Kid to the Numa Numa guy. The guide is packed with the webs most entertaining wildlife including fainting goats and frisky donkeys. Lets not forget the power of the email and those living to regret clicking the send button, only for their heart-felt love letters to be splashed across the press the next morning. Those wonderful websites that have you coming back again and again, brow-furrowing collections, online museums and shopping sites that defy belief theyre all here to keep you amused online when you should be working. Warning: This book will not help you clear your Inbox.
