**Nick Jones : Gagged and Bound 2: More puns, one-liners and dad jokes** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gagged and Bound 2: More puns, one-liners and dad jokes:

0 of 0 people found the following review helpful. "I've got fifty shades of grey on my Kindle. I think the screen's broken."By Bibi Reads, A LOT"I just finished assembling a 250-piece jigsaw. That'll teach me to buy power tools

from IKEA.”Living in the Netherlands (where I’m told 90% of houses are furnished entirely from IKEA) I found this especially funny.Overall, this was a funny little book – especially if you appreciate cringe-worthy puns like this one:PEOPLE WHO WRITE LIKE THIS DESERVE CAPITAL PUNISHMENT.Or, zingers to capture an Indie publisher’s heart like “I used to be a font designer. That was character building.”My only complaints are that, like the first book in this series, it’s definitely adult only and at least partly British specific. About 5% of the jokes involve British dialect or cultural references that Americans may not get, like A-levels, GCSEs, and Duncan Goodhew.Beyond the scattered Viagra and vajazzle jokes, there’s a “mounting” joke that really pushes the boundaries. I rather hope this writer eventually puts together a family friendly joke collection. I think the grandkids would really appreciate jokes like, “I saw The Curious Case of Benjamin Button last night. It was like watching paint get wet.”0 of 0 people found the following review helpful. Be prepared for a laughter !By SmitaIt is always fun to read humour Books, since they come as a fresh breather, just like Gagged and Bound Part -2 that I got free from the Author (Courtesy : BooksGoSocial ) to read for a review !It has intelligent pun lines and short jokes. The reader can open any page for an instant, refreshing read to find chuckle and laughter on the way ! Though the humour of this book is very English, one can understand and enjoy most of the content.It is a small book packed with lots of fun ! Good work Nick !0 of 0 people found the following review helpful. Light, Funny and DistractingBy Claire St. HilaireI was fortunate enough to receive a copy of this book courtesy of the author for the purpose of an honest review.Gagged Bound 2 is fresh and funny. I enjoyed the clever puns and witty drawings. As an American I found some of the humor to be specifically British, but this didn't take away from the overall mood. It is a great collection of light-hearted humor and one-liners that I would recommend for an afternoon read or just for a few laughs on a busy day.

Following the success of his first book, the Amazon bestseller Gagged and Bound, pun-loving gag writer and self-proclaimed “sit-down comedian” Nick Jones returns with another collection of original one-liners, puns and dad jokes engineered to make you chuckle. Packed with razor-sharp wordplay, downright silliness and hilarious illustrations by Tiffany Sheely, Gagged and Bound 2 is bound to make you laugh!
