I selected five stars because the jokes in this collection were funny in an off centered away. I don't know much about this author but I get the impression he is British. Now that is not a problem for me because I like the way British humor goes. Now this not a long book, but you will get a laugh or two from it. A person would have to be without a sense of humor not to find something funny in this book. Just remember that it makes reference to British ideas.

Well, this was definitely one of those books that my kids and I could enjoy together. A great way to end our nights.  
My son is in his early teens, and I can guarantee that some of the jokes shall find their way into the lunch time shenanigans. Granted, even I found myself in cackles of laughter at times. And that's saying something. Trust me, it takes a bit to get me started.  
Original, well executed, and bound to hit that comic chord in any who enjoy a good old chuckle - the clean way.

A friend recommended this to me, and it's worth every cent. It's full of hilarious and groan-inducing and clever and dumb and fun fun fun puns and jokes. Page after page, you just think to yourself, "I wish I'd thought of that! Ha!" Totally a cute gift or fun read for you.

Gagged and Bound is a riotous, rapid-fire collection of over 500 original gags written by pun-loving jokesmith Nick Jones and published by Full Media Ltd. With a mixture of witty one-liners, playful puns and dubious dad jokes, coupled with some great visual gags illustrated by Tiffany Sheely, Gagged and Bound will leave you grinning like a maniac – so probably best not to read it while travelling on public transport. "A succession of one-liners, puns and dad jokes going at your laughing muscles in a joyously pell-mell, headlong way. It's irresistible." The Bookbag "I would recommend this book to anyone looking for a joke book that's varied and full of easy one-liners." Reader's Favorite "This is a very funny book." Red City Review  
Jokes include: When I'm in the kitchen with my wife and I ask her for the sieve, she always throws it at me. She's pass-sieve aggressive. What happens when herbs get into debt? They receive a visit from the bay leaf. Every dog has its day. It's called International Dog Day. I've written a self-help book for people trying to lose weight but it hasn't been very successful. It's called Help Yourself.

"It's what it says on the tin: a succession of one-liners, puns and dad jokes going at your laughing muscles in a joyously pell-mell, headlong way. It's irresistible. Honest." - Jill Murphy, The Bookbag  
"This is a very funny book..." - Red City  
"I would recommend this book to anyone looking for a joke book that's varied and full of easy one-liners." - Reader's Favorite
