From Brand: Aris Phillips : Galdos: Dona Perfecta (Aris Phillips Hispanic Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised Galdos: Dona Perfecta (Aris Phillips Hispanic Classics):

Benito Prez Galds (1843-1920) was a prolific Spanish realist novelist, who through a lack of good translations is virtually unknown outside Spain, though he has been compared as second only to Cervantes in Spanish literature and whose work is considered to give the deepest, truest, most comprehensive realities of Spain.

Whittaker provides a smooth translation (this is a facing-page bilingual edition) and a comprehensive, insightful introduction. Summing Up: Recommended. Upper-division undergraduates through faculty.' (R.M. Fedorchek, emeritus, Fairfield University Choice) About the Author edited and translated by Graham Whittaker
