Better than I expected for the moneyBy ZenifiThe first few envelopes were bent. Other than that, for \$10 bucks. This is a fantastic seal. It does have some weight to it. Sure beats buying a custom one for over \$40. Haven't tested this wax yet, but I have tested the seal with the wax I normally buy that I use with a hot glue gun.1 of 1 people found the following review helpful. So cool!! A must have for any GOT fan!By TDThis thing is so cool!! I gave it to my boyfriend as part of a birthday gift and he went crazy when he saw it :) He even created me some little handmade notes w/ his new Hand of the King wax seal :) I can't believe what a low cost this kit is because it is very nice! The seal itself feels quite sturdy, it comes w/ a red wax stick and a nice velvet pouch to keep the whole kit in. For any Game of Thrones fans out there, you will absolutely love this wax seal kit!

The Hand of the King serves as the head of the reigning king's Small Council and, in the king's absence, the Hand becomes his proxy. The individual charged with this powerful responsibility uses the Hand of the King's wax seal stamp to seal royally issued documents. Game of Thrones: Hand of the King Wax Seal Kit includes a Hand of the King wax seal, wax stick, mini envelopes, and blank scrolls.
