The mermaids, the profile of a woman's ear turning into a butterfly surrounded by orchids--just lovely. Printed on one side, I use Prism pencils and then pens of sparkly ink over it--and no bleed through. My 5-year-old granddaughter asked me to color these so she can have them in frames in her room. She colors in a simpler book--her choice, not mine. For the subject matter, I rank this as number one among my other coloring books.4 of 4 people found the following review helpful. VERY PRETTY COLORING BOOKBy scootergirl1952VERY PRETTY COLORING BOOK. I HAVE THIS BOOK AND VOLUME 2 OF THIS SERIES AND I LOVE THEM BOTH. THE PAPER IS THIN SO PUT A BACKING SHEET UNDER THE PAGE YOU ARE COLORING TO PREVENT BLEED-THRU.
