Laughter is good for the soul, so go ahead -- read a little -- laugh a little -- and live better.0 of 0 people found the following review helpful. Garfield Rules!By CustomerThe world would be a better place if we learned a few lessons from a cartoon cat. All Garfield books are worth having and re-reading again and again for laughs. One of the genuine FUNNY characters that has been created without catering too much to the politically correct brigade.Keep up the great work Mr Davis and thanks for giving us something to laugh at.0 of 0 people found the following review helpful. ... of 3 for christmas for grandkid and he absolutely loved them. I think he was more excited bout ...By VA Reviewbought the set of 3 for christmas for grandkid and he absolutely loved them. I think he was more excited bout these than the expensive video games I got for him!

Oink! Oink! Grab a fork and nab some pork! Garfield loves “the other white meat” in all its palate-pleasing permutations: breaded, barbecued, shredded, fried—even frozen (porksicles, anyone?). If you’re hungry for humor, satisfy your craving with this latest—and greatest—collection of comics.

About the Author Jim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
