It had a minor bent/fold Mark on the cover so I was kind of disappointed but it is way better than what I imagined it would be. Book is quite new as well. Thanks. 0 of 0 people found the following review helpful. The Hit By Fourtune Teller This book is a really nice book for little kids, boys, girls, etc. My kids enjoy this really much. They sometimes wish Garfield was real (don't you?)! 0 of 0 people found the following review helpful. Still a fan! By Customerve been a fan for over 30 years and always will be. The eBook versions are much easier to keep than the huge collection of books that cover my bookshelves!

Garfield, the furry food processor, is back for another helping of tastefully outrageous fun! And America's most-famished feline is breaking all records for mealtime mayhem! Whether he's snatching a snooze, drop-kicking the dog, or discovering the joys of a simple tummy scratch, Garfield always knows where his next nibble is coming from. If you're hungry for laughter, you'll eat him up. Pound for pound, there's no funnier cat around!
